Addiction center to expand

SHEBOYGAN — Rightway Club Inc. announces that plans for a 3,650 square foot expansion and renovation project are underway to serve the growing demand for recovery from alcoholism and other addictions in Sheboygan County.

The Rightway Club provides a safe and supportive community for people in recovery to regularly attend 12-step meetings and engage in fellowship.

Currently, Rightway hosts 18 recovery program meetings per week and averages over 600 meeting attendees per month.

"I've struggled with sobriety since my teens, but I started regularly attending meetings at the Rightway Club nearly three years ago and it's completely transformed my life," said Jason LaBouve, Rightway Club Vice President and Fundraising Project Chair. "Today, I spend quality time attending meetings, volunteering at the club, working with others, and engaging in

fellowship with friends in recovery. Our vision is to make the Rightway Club a wholesome environment where people want to come and lead a clean and sober life."

Rightway Club continues to benefit the community through its programs. This fundraising capital campaign, budgeted at \$500,000, is the largest expansion/renovation to the club since its inception.

Rightway Club, located at 4627 S. 12th Street in Sheboygan, was founded in 1970 as a non-profit 501(c)(3) organization whose mission includes providing a safe and supportive home for 12-step recovery groups to regularly hold meetings and engage in fellowship, including Alcoholics Anonymous, Al-Anon, Narcotics Anonymous, Crystal Meth Anonymous, Heroin Anonymous, and Overeaters Anonymous.
